Communicating Forward

Panel Session 1: NEXUS – An Opportunity for Transforming Municipalities

- Identify challenges, opportunities and priorities with regards to the NEXUS in municipalities.
- Chart how applying the NEXUS can support municipalities & communities.
- Map out potential roles municipalities can take with regards to applying the NEXUS.

Panel Session 2: Municipalities – from Service Providers to Sustainability Leaders

- Understand the context of enablers such as policy, financing and regional networking.
- Think about how these enablers can hinder and help municipalities in applying the NEXUS.
- Find mechanisms for using enablers to transform the role of municipalities to sustainability leaders.
